Report of the Superintendent of Schools

To the Superintending School Committee of Lyman:

I am pleased to submit, for your consideration, the annual report of the School Department of Lyman.

The year has been a pleasant and profitable one. The usual standard of good scholarship has been maintained, attendance has been satisfactory, and a splendid cooperation between parents and teachers has been marked. In my opinion the schools of Lyman compare favorably with those of other towns of the State.

The schools are indeed fortunate in a bequest of twenty thousand dollars under the will of Mr. Horace Cousens, late of Newton, Massachusetts, and a former resident of Lyman. Under the terms of the will, the income from this fund is to be used for progressive projects in education. There are several ways in which this money could be used to bring about definite improvements. In my opinion, the most progressive move we could make would be along the line of school consolidation. I might also suggest the possibility of adding some special subject to the curriculum, such as music. In the case of the latter suggestion we might be met with lack of sufficient interest due to low registrations in the individual schools. This project could be carried out with best results in a consolidated system.

Pupils are registered in the schools at the present time as follows: Goodwin's Mills—15; Jackson—16; Cousens—12; Union—15; Smith—5. Total registration—63. A vote of the town will be necessary for the continuance of the Smith School. The last school census shows the number of persons between the ages of 5 and 21 years as follows: Boys—52; Girls—42. Total—94.

During the year necessary repairs have been made. At the Union School a new floor was laid last spring and a new stove was purchased. The building housing the school and town hall was painted during the past summer. The amount expended for this purpose is shown in the financial statement under the repairs account.

We have been able to maintain the schools within the appropriations. We are informed by the State Commissioner of Education that during the next two years there will be a decrease of six per cent. It will therefore be necessary for all towns to raise by taxation a sum sufficient to offset this deduction. In the case of this town it will amount to approximately one hundred dollars.

In bringing you this report, may I extend to you, to the teachers, and to the citizens of Lyman, my grateful acknowledgment of the kindness and cooperation shown me.

Respectfully submitted,

MAYNARD E. WRIGHT,

Superintendent of Schools.

Report of the Superintendent of Schools

To the Superintending School Committee and Citizens of Lyman:

It is my pleasure to submit for your consideration the annual report of the schools of Lyman:

Pupils are registered and classified by schools at the present time as follows:

CIAC CINICO OCC		-	м										
Goodwins	Mills												24
Union							٠						12
Jackson													13

Cousens	8
Total	57
In addition to the above	ve we have 10 tuition puipls,
as follows: South Waterbo	oro, 6; East Waterboro, 3;
Alfred, 1.	
The last school census	shows the number of per-
ons between the age of 5 a	_

A new course of study was issued by the State Department of Education last fall and is now being used in our schools. In connection with its use several changes have been made in text books, especially geographies and histories.

With the present low registration in the schools, I am still convinced that this town should seriously consider steps towards some measure of consolidation. The income from the Horace Cousens fund, which must be expended for some progressive step in education, could be well used in this connection. Our present buildings are inadequate in the matter of lighting, heating and ventilating facilities. No school-house in town is surrounded by land suitable for playground purposes. In two instances buildings are located so near the main road that the safety of the children is imperiled. I trust that when the matter of building a new school-house is brought before the voters it will be given careful and impartial consideration.

We are at the present time facing a critical situation in the matter of financing schools. There is much discussion regarding lowered rates of taxation. In some quarters it has been suggested that tax reduction can be brought about by reducing the salaries of teachers. Re-

cent figures received from the State Department of Education indicate that a ten per cent reduction of salaries in Maine would result in an average saving to the tax-payer of only seventy-eight cents per thousand dollars of valuation. Maine already ranks low among the other states, holding at the present time thirty-sixth place among the forty-eight states of the Union. Salaries in Maine are lowest of any of the states of New England. I trust that the necessary reductions in the town's expenses can be brought about without serious detriment to the schools. It should be borne in mind that the younger generation is not responsibe for the present depression and should not be deprived of the educational advantages which rightfully belong to it.

In conclusion, I wish to express to the members of the Committee, the teachers and citizens of the town, my appreciation of the kindness and co-operation shown me.

Respectfully submitted,

MAYNARD E. WRIGHT,

Superintendent of Schools.

ELMER N. LITTLEFIELD,

Town Clerk of Lyman, Me.

WARRANT

For Town Meeting, March 14, 1932.

STATE OF MAINE.

York, ss.

To Walter A. Hill, Constable of the Town of Lyman. Greeting:

In the name of the State of Maine, you are hereby requested to notify and warn the inhabitants of said town to assemble at the Town Hall, in said Town, on the fourteenth day of March, 1932, at ten o'clock in the forenoon to act upon the following articles, to wit:

Article 1—To choose a Moderator to preside at said meeting.

Article 2—To choose a Town Clerk for the ensuing year.

Article 3—To choose three Selectmen, three Assessors, and three Overseers of the Poor, Treasurer, Town Agent, Auditor, Collector of Taxes, Constable, Fire Ward, and one member of the School Board for three years.

Article 4—To see if the Town will vote to have one or two Road Commissioners.

Article 5—To choose one or two Road Commissioners.

Article 6—To choose all other necessary Town Officers.

Article 7—To see if the Town will vote "Yes" or "No" on the question of appropriating and raising money necessary to entitle the Town to State Aid as provided in Section 19, Chapter 25, of the Revised Statutes of 1916.

Article 8—To see what sum of money the Town will appropriate and raise for the improvement of the

section of State Aid Road as outlined in the report of the State Highway Commissioners, in addition to the amounts regularly raised for the care of highways and 53 bridges, under the provision of Section 18, Chapter 25, of the Revised Statutes of 1916.

Report of Superintendent of Schools

To the Superintending School Committee and Citizens of Lyman:

It is my pleasure to submit for your consideration the annual report of the schools of Lyman.

Pupils are registered and classified by schools as follows:

Goodwin's Mills,		23
Jackson,		16
Union,		16
Total,		55

In addition to the above we have 12 pupils attending elementary schools in other towns as follows: South Waterboro, 5; East Waterboro, 3; Alfred, 3; Kennebunk, 1.

The last school census shows the number of persons between the ages of 5 and 21 years as follows:

Boys,	58
Girls,	41
Total,	99

In keeping with the times we have practiced all reasonable economies. During the past year the Cousens school failed to maintain the average attendance of eight pupils necessary for its continued maintenance and was thereby automatically discontinued. We have been able to convey them to the Jackson school at a very substantial reduction in expense.

The committee which was appointed at the last regular town meeting to investigate and report relative to the matter of the erection of a new schoolhouse at Goodwin's Mills, have the plan of a two-room building which we find could be built at the present time without financia! burden to the town. A reasonable program of consolidation would offer better educational advantages and would be more economical for the town.

In bringing you this report, may I extend to the committee, to the teachers and to the citizens of Lyman, my grateful acknowledgment of the kindness and cooperation shown me.

Respectfully submitted,

MAYNARD E. WRIGHT, Superintendent of Schools.

Report of County Nurse

To the Selectmen and School Department of the Town of Lyman, Maine:

Gentlemen:

I herewith submit to you and the citizens of your town an annual report of the school inspections and other health work accomplished in the Town of Lyman during the year 1932. The town appropriation for health work was \$45.00.

The school inspection work was completed in October with the following results:

Lyman School-Miss Ethel Goodwin, Teacher

October 21, 1932

Number of pupils inspected,	15
Number of pupils defective,	6
Number of pupils with defects corrected,	6
Number of notices sent to parents,	6
Number of pupils with defective teeth,	3
Number of pupils with enlarged tonsils,	2
Number of pupils with skin infection,	3
Number of pupils with poor posture,	2
Number of pupils 10% underweight,	2

Six children had visited their dentists since last inspection.

During the spring of 1932, the schools were revisited and the special health projects discussed with the teachers.

In one school, several special inspections were made, due to an epidemic of head lice. The treatment prescribed was sent to the parents and another inspection later found improvement.

Two dental clinics were held in May with the following results: The children were taken to and from the

dentist's office by the county nurse, and special clinic rates for the work arranged for the children.

One permanent tooth extracted with novocaine.

One permanent tooth filled with silver.

Four temporary teeth extracted to permit the second teeth to come in straight.

Two temporary molars, badly infected, were extracted with novocaine.

Home visits were made to many families in regard to correction work for the children. In one school, the teachers arranged for the doctor to inspect the children at school. The results of this inspection were given the nurse and visits made to the families regarding his suggestion for treatment. Plans were made for several children to have tonsil and adenoid operations when the families were financially able to have it done.

All the teachers this year are using the Health Habit Charts in the schoolroom. This chart covers a period of twelve weeks and has to do with the essential habits of a child's life. Each morning an inspection is made by either the teachers or pupils and the result recorded on the chart. At the end of twelve weeks a trophy is awarded to the schoolroom in which 90% of the pupils have faithfully performed their duties each day. Some of the teachers will receive a blue or gold seal because the trophy was awarded last year.

In June the regular Farm Bureau Health Meeting was held at the Grange Hall and was well attended. The subject of this meeting was "The First Aid Medicine Cabinet in the Home." A small home cabinet designed and made by pupils of one of the county high schools was used at the meeting.

All the essential first aid materials suggested by the National Red Cross for home use were displayed. The object of the talk was to impress upon people the need of a well-equipped cabinet in the home, for emergency use, and at the same time to show the dangers of amateur doctoring and self-dosing if the relief is not prompt. The family doctor should be called at any time when there is doubt as to the seriousness of a person's condition, and when improvement does not occur at once.

The 6 and 7 point pin award is given to those pupils who at the time of the annual inspection or during the school year are able to pass on the 6 and 7 points of health. The following points are necessary: Teeth and throats which have been seen within a year by the dentist and family doctor; average weight, good posture, good vision and hearing or if doubtful treated by the doctor, and verification of the birth record on the town clerk's book. Several of the children of two schools who received pins last year had pictures taken and one group was printed in the local paper with the children's names.

One home visit was made to arrange for a tonsil and adenoid operation for a child recommended by the doctor for operation. This was made possible through the State Welfare Worker after the family situation was discussed with her. Due to illness in the family the operation was not performed, but may be carried out at any time.

A small charity fund started this fall enabled a few children to have correction work done where the families were unable to pay for it. Many children in various parts of the county were assisted this way. One child from Lyman was able to have an examination by an oculist and obtain glasses without cost to the family. Undoubtedly there will be an improvement in his health and also the school work.

In closing, I wish to thank the superintendent of schools, the teachers, the doctors and all who have assisted with the health work this past year.

Respectfully submitted,

CHARLOTTE BALDWIN, R. N., County Nurse.

AUDITOR'S REPORT

Augusta, Me., Dec. 3, 1932.

Board of Selectmen, Lyman, Maine.

Gentlemen:

We herein make a report of our findings after completing a two-year audit of your tax collector for the years of 1930 and 1931. Also an audit of the books of your treasurer and selectmen for the year of 1931.

TREASURER

Your treasurer's books for the year of 1931 have been kept in excellent condition. All payments made have been supported by vouchers or orders drawn and signed by two or more of the selectmen. The moneys paid and received from the State of Maine have been verified from the State treasurer's records. Your temporary loans and payments on same have been verified at the First National Bank of Biddeford and found in accordance with the treasurer's books. The moneys received on taxes are the same as shown paid by the collector for the years of 1930 and 1931.

The tax deeds listed in this report are in a safe deposit box at the First National Bank of Biddeford.

TAX COLLECTOR

The books show that Walter A. Hill, collector, is indebted to the Town of Lyman as follows:

1930 commitment,

\$381.96

1931 commitment, Excise tax to February, 1932, 903.36 38.78

Total due the town,

\$1,324.10

Our report shows in detail the amount committed to the collector for collection. This amount has been verified and found correct as per the assessors' books. The payments are the same as the treasurer's books and his own cancelled checks. The abatements and other credits are supported by town orders signed by the selectmen and tax deeds. The uncollected taxes are also shown as taken from the collector's book.

EXCISE TAX

The amount of excise tax collected was taken from Mr. Hill's duplicate receipts and I believe they are correct. The payments shown by Mr. Hill are the same as shown on the treasurer's books.

SELECTMEN

The audit of the selectmen's accounts for the year 1931 included a verification of the assessors' books. Vouchers and payrolls are on file supporting orders issued to the treasurer for payment and were found to be correct and in good order.

In conclusion, I would recommend that in the future the tax collector submit with each payment to the treasurer a list of taxes covered by that payment. Your system of bookkeeping seems to be adequate for your needs and I would recommend no change.

AUDITOR

Revised Statutes, Chapter 5, Section 15:

Vacancy in office of auditor filled by appointment. When by reason of the non-acceptance, death, removal, insanity, or other incompetency of a person elected to the office of town auditor, there is a vacancy in said office, the selectmen may appoint a person to fill said office, who shall perform all the duties of said office until an auditor is elected by the town at its next annual meeting. The person so appointed shall be duly sworn.

Respectfully submitted,

Dept. of State Auditor, By Harold W. Nicholson.

Report of the Superintendent of Schools

To the Superintending School Committee and Citizens of Lyman:

It is my pleasure to submit for your consideration the annual report of the schools of Lyman.

Pupils are registered and classified by school as follows:

Goodwins	Mil	ls			19
Union				\$ to .	17
Jackson					12
\mathbf{T}_{0}	tal				- 48

We have, attending schools outside of town, elementary pupils as follows: South Waterboro, 7; East Waterboro, 5; Alfred, 3.

The last school census shows the number of persons between the ages of 5 and 21 years as follows:

Boys,		59
Girls,		40
Total,		99

Lyman has been especially fortunate in maintaining its schools during the depression without appreciable lessening of efficiency. Substantial economies have been effected during this period by the closing of two schools. In this way expense has been decreased and educational advantages for the pupils involved have by no means suffered. I wish to reiterate once more the advantages of a centralized school. Although we seem to have been halted by existing financial uncertainties, every effort should be made to bring about consolidation without protracted delay.

During the past year certain regulations have been made relative to seating capacity and safety of school transportation vehicles. Owing to the fact that so many towns have made drastic cuts in their appropriations there has been more or less leniency during the current year in enforcing these regulations. Advice has come from the State Department that during the coming year these rules will be enforced and that towns should make appropriations adequate to meet any extra expense thus involved. The safety of children who are transported to school is not a matter to be regarded lightly.

Although the schools have been financed within the appropriations we have used up part of our balances which accrued in previous years. I trust that appropriations for coming year will be sufficient to continue our program on the present basis.

May I extend to the Committee, to the teachers, and to the citizens of Lyman my grateful acknowledgement of the kindness and co-operation shown me.

Respectfully submitted,

MAYNARD E. WRIGHT,

Superintendent of Schools.

Fire Department Report

I herewith submit to the Town of Lyman a report covering operations from June 1, 1934 to Feb. 15, 1935.

In that period of time a total of twenty calls have been received from the following sources:

From Lyman 14
From Dayton 4
From North Kennebunkport 2

I feel that some more small additional equipment is needed and I recommend the sum of one hundred dollars (\$100.00) in addition to the amount raised for storage purposes.

I would earnestly recommend that where any property owner can, a small dam be constructed for water storage enabling apparatus to have water for combating fire. This has been done in many Towns of Maine with good results.

Respectfully,

R. C. Burbank

Chief of Fire Department

Report of Cousens Fund

Auditor's Report

Room 53, 156 Free Street Portland, Maine Feb. 27, 1935

To the Citizens of Lyman, Me.

I have audited the accounts of the Selectmen, Treasurer and Collector of taxes of the Town of Lyman for the year ending Feb. 15, 1935 and render the following statements relative to the financial transactions of the town for that year. The accounts of the Selectmen, Treasurer and Collector are in excellent condition. All town funds have been correctly accounted for and balances shown as due the town are correct.

The close of the current municipal year finds the town in an excellent financial position and great credit is due the Board of Selectmen for this accomplishment during the year in spite of adverse conditions and greater requirements. Much credit is also due Collector, Frank P. Murphy, for the excellent showing made on the 1934 commitment.

I wish to recommend that, if possible, the notes payable be refinanced at a lower interest rate and that the town make an annual appropriation to cover abatement of taxes which are uncollectable.

Respectfully submitted,

[signed] A. W. Reeves Town Auditor

Report of the Superintendent of Schools

To the Superintending School Committee, and Citizens of Lyman.

It is my pleasure to submit for your consideration the annual report of the schools of Lyman.

Pupils are registered and classified by schools as follows;

Goodwins Mills	22
Jackson	15
Union	9
Center	7
Total	53

Tuition pupils in elementary schools of other towns: Alfred, 3; East Waterboro, 2, South Waterboro, 5: Total 10.

According to the last school census there are ninety five persons between the ages of 5 and 21 years.

Owing to conveyance difficulties it was deemed expedient last fall to open the Center school and this action was taken following a vote at a special town meeting. The present registration at this school indicates that it will be automatically discontinued at the end of the present year unless further action is taken by voters. It is difficult at this time to determine whether or not it will be wise to continue the school next year.

May I urge once more the desirability of consolidation. Elimination of small one room schools is one of the recommendations of the Maine School Finance Commission. Such elimination makes far better economy in school maintenance, better housing conditions for the pupils, and more efficient

instruction.

In conclusion, may I express to the committee, to the teachers, and to citizens of the town my grateful acknowledgment of the kindness shown me during the past year.

Respectfully submitted,

Maynard E. Wright,

Superintendent of Schools.

WARRANT FOR TOWN MEETING

MARCH 9, 1936

STATE OF MAINE

YORK, ss.

To Frank P. Murphy, a Constable of the Town of Lyman,

GREETING:

In the name of the State of Maine, you are hereby requested to notify and warn the inhabitants of said town to assemble at the town hall, in said town, on the ninth day of March, 1936, at ten o'clock in the forenoon, to act upon the following articles, to wit:

The polls will be open at 10.30 A. M. and close at 2.30 P. M. for the election of town officers.

Article 1. To choose a moderator to preside at said meeting.

- Art. 2. To choose three selectmen, three assessors, and three overseers of the poor, a treasurer, auditor, collector of taxes, constable, fire ward, road commissioner, and one member of the school board for three years.
- Art. 3. To see if the town will vote "Yes" or "No" on the question of appropriating and raising money necessary to entitle the town to State Aid, as provided in Sec. 20, Chap. 28, of the Revised Statutes of 1930.
- Art. 4. To see what sum the town will appropriate and raise for the improvement of the section of State Aid road as outlined in the report of the State Highway Commis-

sion, in addition to the amounts regularly raised for the care of the ways, highways, and bridges, under the provisions of Sec. 19, Chap. 28, of the Revised Statutes of 1930, or under the provisions of Sec. 22, Chap. 28, Revised Statutes of 1930.

- Art. 5. To see if the town will vote to authorize the assessors to rescind any amounts appropriated by the town for State Aid highway construction in excess of the amount required to meet State apportionments.
- Art. 6. To see what sum of money the town will raise to repair its highways and bridges.
- Art. 7. To see what sum of money the town will raise to cut bushes on town highways.
- Art. 8. To see what sum of money the town will raise to cut bushes on State highway, State Aid highway, and third class highway as required by law.
- Art. 9. To see what sum of money the town will raise for street and hall lights.
- Art. 10. To see if the town will vote to raise the sum of \$873.00 for the maintenance of third class road as required by law.
- Art. 11. To see what sum of money the town will raise for snow removal.
- Art. 12. To see what sum of money the town will raise for maintenance of State and State Aid highways.
- Art. 13. To see if the town will vote to apply a tar surface to the third class road, and to raise a sum of money for same.
- Art. 14. To see what sum of money the town will raise for support of schools.

- Art. 15. To see what sum of money the town will raise for textbooks.
- Art. 16. To see what sum of money the town will raise for repair of schoolhouses.
- Art. 17. To see what sum of money the town will raise for high school tuition.
- Art. 18. To see what sum of money the town will raise for water at the Mills School.
- Art. 19. To see what sum of money the town will raise for decorating soldiers' graves.
- Art. 20. To see what sum of money the town will raise for town officers' salaries, including salary for school committee.
- Art. 21. To see what sum of money the town will raise for miscellaneous expenses.
- Art. 22. To see what sum of money the town will raise for support of poor.
- Art. 23. To see if the town will raise \$100.00 for storage and support of fire truck.
- Art. 24. To see if the town will vote to purchase surety bonds for the collector and treasurer and to raise money for the same.
- Art. 25. To see if the town will vote to instruct the municipal officers to hire legal services, to collect tax deeds held by the town.
- Art. 26. To see if the town will vote to accept Warranty Deed from John I. Grant.
- Art. 27. To see what sum of money the town will vote to raise toward paying its indebtedness and interest thereon to the First National Bank of Biddeford.

Art. 28. To see if the town will vote that for the purpose of procuring a temporary loan, to and for the use of said town, that the town treasurer be and is hereby authorized and directed to borrow from time to time a sum or sums not exceeding in the aggregate of ten thousand dollars and to execute and deliver the note or notes of the town therefor signed by the town treasurer and countersigned by the municipal officers of said town.

Art. 29. To see if the town will raise a sum of money for the public health nurse.

Art. 30. To see if the town will vote to raise the sum of \$100.00 for snow fence.

Art. 31. To see if the town will vote to adopt the following By-Laws, viz:

Section 1. Whoever shall go about the town selling goods, wares and merchandise at retail from vehicle or otherwise without first obtaining a license therefor from the municipal officers of the town so to do shall be punished by a fine of five dollars for each offence. This By-Law shall not apply to any person selling farm or sea products or articles of their own manufacture.

Sec. 2. Before granting the license as set forth in Section One hereof the municipal officers shall inquire into the character of the applicant, the goods, wares and merchandise to be sold, and upon proof satisfactory to them, they shall issue a license to applicant as prayed for, on payment of the sum of five dollars. Such license shall remain in force for one year from date of its issuance.

Art. 32. To transact any other business that may legally come before this meeting.

Given under our hands at Lyman, the twenty-fifth day of February, 1936.

Report of Cousens Fund

(COPY)

THE FIRST NATIONAL BANK OF BIDDEFORD

Biddeford, Maine, February 21, 1936.

Town of Lyman, Lyman, Maine.

Gentlemen:

This is to certify that Certificate of Deposit No. 497 in the principal sum of \$3,486.42 was issued by us in the name of "Town of Lyman, Horace Cousen's Fund," on November 2, 1935. Interest on the above accruing to May 2, 1936, amounts to \$43.58, making total due on the Certificate at its expiration date, May 2, 1936, \$3,530.00.

This is to further certify that on February 21, 1936, we have issued Certificate of Deposit No. 519 in the name of "Town of Lyman, Horace Cousen's Fund," in the Principal amount of \$760.00.

Very truly yours,

ARTHUR F. MAXWELL,

Vice Pres.

FIRE DEPARTMENT

To the Municipal Officers and Citizens of Lyman I beg to submit our annual report.

We have answered calls from the sources as in the table below:

Lyman,	11
Dayton,	5
Waterboro,	3
Hollis,	1
Biddeford,	1
State Forest Department,	2

The taxable value of the property involved amounts to a large sum and the total loss is low. We have added some additional equipment the past year trying to make for more efficiency.

I would like to ask for an appropriation of \$200.00 for this year.

To the town officers and men of the Department, I wish to express my thanks for their coöperation and help-during the past year.

Respectfully,

R. C. BURBANK,
Chief of the Fire Dept.

AUDITOR'S CERTIFICATE

I hereby certify that I have audited the financial records comprising the selectmen's appropriation register, the treasurer's cash book, and the tax collector's register, as these records apply to the fiscal year ended February 12, 1936, or a date closely related thereto.

These records so far as I could obtain the information 1 y using a reasonable effort are correct.

The attached schedules designated financial statement, appropriation accounts, and the surplus account, and set forth the true financial condition of the Town of Lyman at February 12, 1936. The balances shown thereon are in agreement with the books.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the Superintending School Committee and Citizens of Lyman:

It is my pleasure to submit for your consideration the annual report of the Lyman schools.

Pupils are registered and classified by schools as follows:

Goodwin's	Mills,	24
Jackson,		14
Union,	1	12
,		
	Total	50

We have nine elementary pupils in other towns, two in Alfred and seven in Waterboro.

Number of persons between the ages of five and 21 years: Boys, 55; girls, 44; total, 99.

The Center School was closed at the end of the last spring term through failure to maintain an average attendance of eight pupils. Those pupils remaining in that section are being transported to the Jackson School.

Since no federal funds have been forthcoming, we have been unable to make progress towards the erection of the new school at Goodwin's Mills. Unless there is the prospect of accomplishing something in the near future, some repairs will be necessary on the present buildings.

May I express to the members of the school committee, to the teachers and to the citizens of Lyman my appreciation of the kindness and consideration shown me curing the past year.

Respectfully submitted,

MAYNARD E. WRIGHT,

Superintendent of Schools.

STATE OF MAINE

YORK, ss.

To Frank P. Murphy, a Constable of the Town of Lyman,

GREETING:

In the name of the State of Maine, you are hereby requested to notify and warn the inhabitants of said town to assemble at the town hall, in said town, on the eighth day of March, 1937, at ten o'clock in the forenoon, to act upon the following articles, to wit:

The polls will be open at 10.30 A. M. and close at 2.30 P. M. for the election of town officers.

Article 1. To choose a moderator to preside at said meeting.

Art. 2. To choose a clerk, three selectmen, three assessors and three overseers of the poor, a treasurer, auditor, collector of taxes, constable, fire ward, road commissioner, and one member of the school board for three years.

Art. 3. To see if the town will vote "Yes" or "No" on the question of appropriating and raising money necessary to entitle the town to State aid, as provided in Section 20, Chapter 28, of the Revised Statutes of 1930.

- Art. 4. To see what sum the town will appropriate and raise for the improvement of the section of State aid road as outlined in the report of the State Highway Commission, in addition to the amounts regularly raised for the care of the ways, highways and bridges, under the provisions of Section 19, Chapter 28, of the Revised Statutes of 1930, or under the provisions of Section 3, Chapter 173, Public Laws of 1935.
- Art. 5. To see if the town will vote to authorize the assessors to rescind any amounts appropriated by the town for State aid highway construction in excess of the amount required to meet State apportionments.
- Art. 6. To see what sum of money the town will raise to repair its highways and bridges.
- Art. 7. To see what sum of money the town will raise to cut bushes on town highways.
- Art. 8. To see what sum of money the town will raise to cut bushes on State highway, State aid highway, and third class highway, as required by law.
- Art. 9. To see what sum of money the town will raise for street and hall lights.
- Art. 10. To see if the town will vote to raise the sum of \$971.77 for the maintenance of third class road as required by law.
- Art. 11. To see what sum of money the town will raise for snow removal.
- Art. 12. To see what sum of money the town will raise for maintenance of State and State aid highways.

- Art. 13. To see what sum of money the town will raise for support of schools.
- Art. 14. To see what sum of money the town will raise for textbooks.
- Art. 15. To see what sum of money the town will raise for repair of schoolhouses.
- Art. 16. To see what sum of money the town will raise for high school tuition.
- Art. 17. To see if the town will authorize the Building Committee to make a contract for the furnishing of water at the New Schoolhouse at a yearly rate and raise a sum of money for same.
- Art. 18. To see what sum of money the town will raise for decorating soldiers' graves.
- Art. 19. To see what sum of money the town will raise for town officers' salaries, including salary for school committee.
- Art. 20. To see what sum of money the town will raise for miscellaneous expenses.
- Art. 21. To see what sum of money the town will raise for support of poor.
- Art. 22. To see if the town will raise \$100.00 for storage and support of fire truck.
- Art. 23. To see if the town will vote to purchase surety bonds for the collector and treasurer and to raise money for the same.

- Art. 24. To see what sum of money the town will vote to raise toward paying its indebtedness and interest thereon to the First National Bank of Biddeford.
- Art. 25. To see if the town will vote that for the purpose of procuring a temporary loan to be paid during the present year, from taxes raised during the current year, to and for the use of said town, that the town treasurer be and hereby is authorized and directed to borrow from time to time a sum or sums not exceeding in the aggregate ten thousand dollars, and to execute and deliver the note, or notes, of the town therefor, signed by the town treasurer and countersigned by the municipal officers of said town.
- Art. 26. To see if the town will raise a sum of money for the public health nurse.
- Art. 27. To see if the town will vote to raise the sum of \$100.00 for snow fence.
- Art. 28. That this town's committee representing the York County Tercentenary Commission, with the approval of the Board of Selectmen as to location, may erect Historical Markers which the Commission will furnish, or authorize, without cost to the town, on town property and alongside the traveled portions of its highways.
 - Art. 29. To see if the town will vote to raise the sum of \$240.00 to supplement the income of the H. D. Cousens' Fund to pay the yearly obligation of \$1,000.00 at the Saco & Biddeford Savings Institution.

Art. 30. To transact any other business that may legally come before this meeting.

Given under our hands at Lyman this 24th day of February, 1937.

FIRE DEPARTMENT

I respectfully submit the annual report of the Goodwin's Mills Fire Department for the past year.

Miles traveled,		101
Total number of alarms,		24
Town of Lyman,	12	
Town of Dayton,	10	
City of Biddeford,	. 1	
North Kennebunkport,	1	

The fires were for the following causes:

Chimney fires,	18
Forest fires,	3
Gasoline explosion,	1
Automobile,	1
Dwelling,	1

During the past year we have installed a siren alarm which has been found to be valuable at all times.

We wish to purchase another pony chemical tank and shall need one new tire for the truck, and I would suggest an appropriation of \$100.00 for the next year.

Respectfully,

R. C. BURBANK,

Chief.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Superintending School Committee and Citizens of Lyman:

The annual report of the Lyman schools is hereby submitted for your consideration,

Pupils are registered and classified by schools as follows:

Goodwin's Mills,	24
Union,	11
Jackson,	18
Total.	53

We have twelve elementary pupils in schools of other towns, namely: Alfred, Kennebunk and Waterboro.

Number of persons between the ages of 5 and 21 years; Boys, 51; girls, 46; total, 97.

It is expected that the new schoolhouse will be completed this spring and ready for occupancy for the next school year. This building is a fitting memorial to the man whose bequest made it possible and one of which any town might justly be proud.

Owing to the increased cost in conveyance during the past year, the balance which accrued in the past few years, due to the closing of the Cousens and Center schools, has been greatly diminished. This fact would seem to indicate the necessity of increased appropriations for next year.

Many people are becoming convinced that the property owner cannot long continue to bear the whole burden of taxation for the support of schools. It is also argued that, like

the roads, education should be an obligation of the State. For this reason we find before the present Legislature the Educational Opportunity Bill, asking for the appropriation of \$1,750,000.00 to be derived from new sources of taxation. This bill proposes to raise and stabilize the standard of education and also to offer opportunity for reduction of the local property tax burden. For example, the Town of Lyman received this year from the State the sum of \$1,488.55. Under the proposed law, the amount received would be \$2,149.00, according to figures tabulated by the State Department of Education. This bill should not be confused with a measure which may be proposed, raising approximately one-half million dollars as a relief measure for those schools where local support has been insufficient for their maintenance. We would not derive from this measure the benefits mentioned above.

In conclusion, I wish to express to the committee, to the teachers, and to the citizens of Lyman, my appreciation of the kindness and consideration shown me during the past year.

Respectfully submitted,

MAYNARD E. WRIGHT, Superintendent of Schools.

REPORT OF COUNTY NURSE

I herewith submit the annual report of the York County nurse for the school and other health work accomplished in Lyman during the year beginning January 1, 1936, and ending December 31, 1936.

In April the schools of Lyman were visited by the nurse and a dental inspection made on all pupils. Permission slips were given out for dental clinic. Four children were furnished transportation to the office of Dr. Hanscom in Sanford, where necessary dental work was done. The following is the report of the dental work carried out by Dr. Hanscom:

- 2 temporary teeth filled
- 1 permanent tooth filled
- 1 root extracted
- 2 children—no work necessary

Your nurse endeavors to get into every school in her territory twice during the school year. In order to be able to do this, she is making a partial inspection at the first visit and will complete the inspection at the next visit to schools after January 1, 1937. At the first inspection the nurse has done the vision and hearing tests, weighed and measured for average weight for height and age. Other than routine visits will be made on request.

All schools in Lyman were visited by the nurse in October. The report of the partial inspection done is as follows:

Goodwin's Mills School

Pupils inspected,		* 1	23
Pupils with defects,			8
Notices sent to parents,			4
Pupils with defective vision,			3
Pupils 10% or more underweight,			5

One correction to vision had been made since last visit of nurse to school.

Jackson School

Pupils inspected,	14
Pupils with defects,	2
Pupils 10% or more underweight,	2
Union School	
Pupils inspected,	11
Pupils with defects,	1
Notices sent to parents	1

One correction to vision had been made since last visit to school.

Pupils with defective vision.

At the completion of the inspection in all schools several home visits were made on children in need of corrective treatment.

On October 7th a Farm Bureau health meeting was held at Goodwin's Mills. Twenty-five members were present. The nurse spoke on the general symptoms of sickness, and temperature, pulse and respiration.

The nurse is interested in serving your town. No call is refused, and she is ready to give instructive and consultation service to mothers with babies and to tuberculosis patients; also to provide programs for health meetings, as well as give service in the schools.

To the superintendent of schools, the teachers, and all others who have helped with the health work this year, I am grateful.

Respectfully submitted,

OLIVE TWICHELL, R. N.,

County Nurse.

STATE OF MAINE

YORK, ss.

To Frank P. Murphy, a Constable of the Town of Lyman, GREETING:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the Town of Lyman, County of York, qualified by law to vote in town affairs, to meet at the town hall, in said town, on Monday, the fourteenth day of March, A. D. 1938, at ten o'clock in the forenoon, then and there to act on the following articles, to wit:

The polls will be open at 10.30 A. M. and close at 2.30 P. M. for the election of town officers.

- Article 1. To choose a moderator to preside at said meeting.
- Art. 2. To choose a clerk, three selectmen, three assessors and three overseers of the poor, a treasurer, collector of taxes, constable, fire ward, road commissioner, and one member of the school board for three years.
- Art. 3. To see what sum the town will appropriate for State aid road construction (in addition to the amounts regularly raised for the care of ways, highways and bridges), under the provisions of Section 19, Chap-

- ter 28, Revised Statutes of 1930, or under the provisions of Section 3, Chapter 229, Public Laws of 1937.
- Art. 4. To see if the town will vote to authorize the assessors to rescind any amounts appropriated by the town for State aid highway construction in excess of the amount required to meet State apportionments.
- Art. 5. To see what sum of money the town will raise to repair its highways and bridges.
- Art. 6. To see what sum of money the town will raise to cut bushes on town highways.
- Art. 7. To see what sum of money the town will raise to cut bushes on State highway, State aid highway, and third class highway as required by law.
- Art. 8. To see what sum of money the town will raise for street, hall, and school lights.
- Art. 9. To see if the town will vote to raise the sum of \$1,063.00 for the maintenance of third class road as required by law.
- Art. 10. To see what sum of money the town will raise for snow removal.
- Art. 11. To see what sum of money the town will raise for maintenance of State and State aid highways.
- Art. 12. To see what sum of money the town will raise for support of schools.
- Art. 13. To see what sum of money the town will raise for textbooks.

- Art. 14. To see what sum of money the town will raise for maintenance of schoolhouse.
- Art. 15. To see what sum of money the town will raise for high school tuition.
- Art. 16. To see if the town will vote to raise the sum of \$35.00 for water at schoolhouse.
- Art. 17. To see what sum of money the town will raise for decorating soldiers' graves.
- Art. 18. To see what sum of money the town will raise for town officers' salaries, including salary for school committee.

- Art. 21. To see if the town will raise \$100.00 for storage and support of fire truck.
- Art. 22. To see if the town will vote to purchase surety bonds for the collector and treasurer and to raise money for the same.
- Art. 23. To see what sum of money the town will vote to raise toward paying its indebtedness and interest thereon to the First National Bank of Biddeford.
- Art. 24. To see if the town will vote that for the purpose of procuring a temporary loan to be paid during the

present year, from taxes raised during the current year, to and for the use of said town, that the town treasurer be and hereby is authorized and directed to borrow from time to time a sum or sums not exceeding in the aggregate ten thousand dollars, and to execute and deliver the note, or notes, of the town therefor, signed by the town treasurer and countersigned by the municipal officers of said town.

- Art. 25. To see if the town will raise a sum of money for the public health nurse.
- Art. 26. To see if the town will vote to raise the sum of \$100.00 for snow fence.
- Art. 27. To see if the town will vote to raise the sum of \$240.00 to supplement the income of the H. D. Cousens Fund to pay the yearly obligation of \$1,000.00 at the Saco & Biddeford Savings Institution.
- Art. 28. To see if the town will vote to close the socalled Poor Farm road on southeast shore of Kennebunk Pond and accept in its place the new road built by Kennebunk Pond Association and raise a sum of money to help the Kennebunk Pond Association defray the expenses of building said road.
- Art. 29. To see if the town will authorize the selectmen to negotiate a lease, or an assignment of a lease, of the Fred Lord Grove and Beach on the easterly end of Kennebunk Pond upon such terms as the selectmen shall see fit; said property to be used as a public park.
- Art. 30. To see if the town will vote to pass the following ordinances, to wit:

Section 1. It shall be unlawful for any person, between the hours of 9.00 P. M. and 5.00 A. M., to appear in a bathing suit in any public park in the Town of Lyman.

Section 2. It shall be unlawful for any person, between the hours of 9.00 P. M. and 5.00 A. M., to bathe in the waters of any public park within the Town of Lyman, or to use any public park in any manner for the purpose of bathing in the waters of any pond adjacent to any such park.

Section 3. It shall be unlawful for any person, between the hours of 9.00 A. M. and 5.00 A. M., to use any loud or boisterous language or conduct himself in a boisterous manner in any public park in the Town of Lyman.

Section 4. It shall be unlawful for any person to conduct himself in a wanton or lascivious manner in speech or behavior within the limits of the Town of Lyman.

Section 5. Any person convicted of violating any of the foregoing provisions shall be punished by a fine of not exceeding ten dollars.

Art. 31. To see if the town will vote to authorize the selectmen to sell any real estate owned by the town, including any schoolhouse to which they have a deed, and execute and deliver a warranty deed for same.

Art. 32. To transact any other business that may legally come before this meeting.

Given under our hands at Lyman this 4th day of March, 1938.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the Superintending School Committee and Citizens of Lyman:

The annual report of the Lyman schools is hereby submitted for your consideration.

Pupils are registered and classified as follows:

Grammar,	18
Intermediate,	21
Primary,	18
	50

There are thirteen elementary tuition pupils attending school in Alfred and Waterboro.

Number of persons between the ages of 5 and 21 years, according to last census: Boys, 59; girls, 43; total, 102.

The new schoolhouse was opened for public inspection last June, at which time the closing exercises of the schools were held. This building conforms to modern standards in respect to light, heat, ventilation and sanitation and should be a source of pride to the citizens of the town. It is equipped with modern furniture approved by the State Department of Education, from whom we have recently received a special grant of \$350.00 to apply on payment for the same.

Due to the generosity of the teachers, music has been taught in the schools every other week by Mrs. Agnes Skilling Tibbetts of Sanford. At Christmas a pageant was given by the pupils for the purpose of demonstrating the work done in this subject. Music is recognized

as an essential subject in the school curriculum and it is hoped that ultimately the town will make definite provision for its instruction.

Due to increased transportation costs, the amount appropriated last spring for elementary schools was inadequate and it was necessary to overdraw the account. May I point out the fact that a large part of this extra expense is due to pupils living in remote parts of the town and for whom transportation would have to be provided regardless of consolidation.

In conclusion, I wish to express to the committee, to the teachers, and to the citizens of Lyman, my appreciation of the kindness and consideration shown me during the past year.

Respectfully submitted,

MAYNARD E. WRIGHT,

Superintendent of Schools.

REPORT OF PUBLIC HEALTH NURSE

To the Citizens of the Town of Lyman:

I hereby submit my report as public health nurse for the period beginning January 1, 1937, and ending December 31, 1937,

In March, films on tuberculosis were shown to a large gathering of Farm Bureau members at the Club House at Goodwin's Mills.

The following month the nurse visited the foster home of a child reported, by a teacher, as being ill in school. The attention of the family was brought to the Board of Social Welfare and arrangements made by that organization for the future care of all children of that family. Another boy was taken to an oculist's in Sanford for examination for defective vision. Five pupils from the Jackson School were transported to the office of Dr. Hanscom, Sanford, for dental corrections. The following is the report of the work done by Dr. Hanscom:

- 4 fillings, permanent teeth
- 2 extractions, temporary teeth
- 1 cleaning

It was a pleasure to the nurse, in the fall, to enter the new and modern Cousens Memorial School, and incidentally, a considerable help to her in traveling distances. A visit to each of the former schools was made in the spring and a part of the inspection done at that time. In November the balance of the inspection was done in all rooms of the Cousens Memorial School. A special inspection for pediculosis was made at the request of the teachers just prior to that of the regular health inspection.

The following is the report of the health inspections done in the rural schools in the spring and in the Cousens Memorial School in November:

Pupils inspected,	112
Pupils with defects,	22
Excluded for evidence of pediculosis,	5
Defective teeth,	10
Defective vision,	2
Defective throat,	6
10% or more underweight,	4
Teeth corrections,	6
Vision corrections made during the year,	3

The nurse wishes to assure you that she is always glad to respond to any calls for service or consultation in your community, but only in an emergency can she care for the sick as she serves 20 towns.

To the superintendent of school, the teachers, and all others who have helped with the health work this year, I am grateful.

Respectfully submitted,

OLIVE TWICHELL, R. N., York County Health Service.

DEVELOPMENT ASSOCIATION FOR YORK COUNTY, MAINE

This is a county-wide organization founded for the sole purpose of developing and advertising the outstanding natural advantages and attractions of York County. Its one object is to increase the amount of revenue now being received by every individual in the county. Its founders feel sure this can be done, primarily, by increasing the tourist traffic into the county and by bringing in half a million more vacationists than are coming here each year at the present time. The Association would also assist the agricultural and industrial interests of the county in ways that are not covered by the excellent organizations which represent these important activities at the present time, and which may be said to be outside of their field of work. Mainly, this would be through channels of county-wide advertising and publicity which would mean increased sales for both the farmer and the business man, small or large.

York County has reached the point where it must present a united front in its effort to hold and to increase its present business. This is why the Development Association for York County, Maine, has been founded and is being backed by many of the most public-spirited and far-seeing men and women in the county.

Its program will include extensive county advertising campaigns in the great newspapers of Eastern United States and Canada; the publication of a beautifully illustrated York County booklet in which each of its 28 towns and cities will have identical space and pictures; establish information bureaus to give out vital facts about

what York County has to offer; increase the sale of old farms and community homes to summer residents and make more taxpayers and more demand for local labor; develop and improve its highways; publicize the county's agricultural and industrial advantages; promote Old Home Days, Winter Sports, and other events that will attract large numbers of people from outside the county; mark its historical spots, and stimulate interest in making its communities and its highways more beautiful so that they will attract more people.

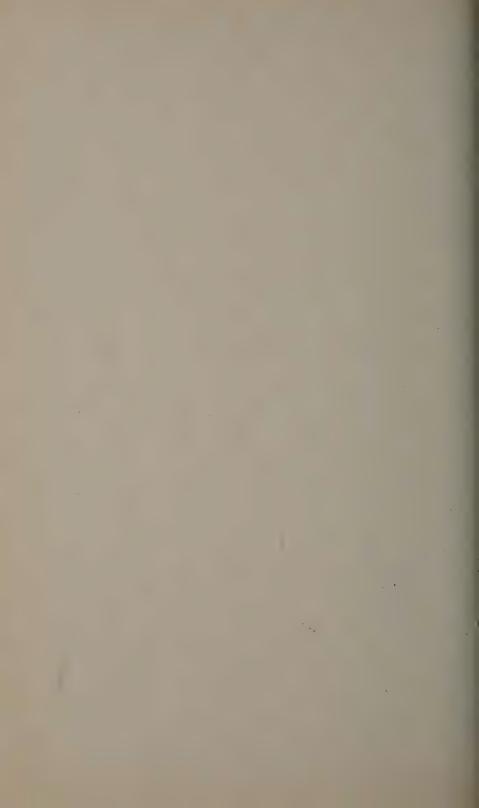

The Association has been so organized that every town and city has equal representation on its governing board. There can be no politics, no cliques, no special benefits for one section over another, within the organization. It must work for the county as a whole. It will have to be supported by low-cost investor-memberships and the more who join it the more work the Association can do.

Complete details will be furnished all who write for information. Address, Development Association for York County, Maine, Biddeford, Maine.

FIRE DEPARTMENT

The Fire Department during the past year has responded to the calls shown in table below.

Total	calls.	14
Lyman,		7
Dayton,		4
Hollis,		. 2
North K	ennebunkport,	1

Total miles traveled, 101 1/2

I wish to impress upon the people of these towns that whether at home or in other sections that extreme care must be taken this year to prevent forest fires, due to so much slash in the woods.

I wish to thank those who have helped us at fires during the past year.

Respectfully,

R. C. BURBANK,

Fire Ward.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the Superintending School Committee and the Citizens of Lyman:

I submit herewith for your consideration, the annual-report of the schools of Lyman.

There is at the present time a total registration of eighty pupils, an increase of twenty-three over last year. They are classified and taught as follows:

School	Registration	Teacher
Primary	26 :	Dora S. Murphy
Intermediate	30	Edith A. Goodwin
Grammar	24	M. Alice Elwell

The school census of 1938 shows 121 young people between the ages of 5 and 21—Boys, 67: Girls, 54.

At the beginning of the present school year all pupils previously sent as tuition pupils to Waterboro and Alfred were conveyed to Cousens Memorial School. This partially accounts for the increased registration over that of last year. Several new families with children of school age have moved into town.

During the year a group of interested parents and friends of the schools formed the Cousens School Association. By various activities, this group has raised money which has been used for school purposes. These friends have furnished funds for the continuance of instruction in music. They have also provided material for the building of tables and benches which are used during the serving of hot lunches at the noon hour.

It will be noted in the financial statement that this year's elementary school balance of \$296.31 has been applied to the deficit of last year, \$534.18, thus reducing the elementary indebtedness to \$237.87. Applying \$67.89, the sum of the balances of the high school and textbooks and supplies accounts, we find the total school indebtedness, excluding schoolhouse maintenance, is at the present time \$169.98.

In conclusion, I wish to express to the committee, to the teachers, and to the citizens of Lyman, my appreciation of the kindness and consideration shown me during the past year.

Respectfully submitted,

MAYNARD E. WRIGHT,

Superintendent of Schools.

REPORT OF PUBLIC HEALTH NURSE

To the Citizens of the Town of Lyman, I herewith submit my annual report as Public Health nurse, for the year 1938.

The school inspections were done with two visits to each school during the year, a part of the inspection being done at each visit. The following is the report of the health work done during the year:

Pupils inspected,	7 9
Defects found,	15
Defective visions,	2
Defective teeth,	5
Defective throats,	3
Evidence of skin disease,	5
Corrections made to vision,	2
Corrections made to teeth,	16
Corrections made to throats,	5

Several additional calls were made to the school during the year at the request of Superintendent Wright or of the teachers because of cases of pediculosis and skin diseases found. These were excluded from school and home visits made by the nurse. Other home visits were made because of defects found at the time of health inspections and to assist in securing corrections.

Two dental clinics were held at the office of Dr. A. C.

Hanscom, Sanford. The nurse furnished transportation to and from the clinics. Four children were given corrections to their teeth and six were given certificates showing their teeth to be in satisfactory condition.

In October conferences were held with Superintendent

Wright, members of the school board and the teachers regarding conducting a diphtheria immunization clinic. All rooms of the school were visited and the purpose of the clinic explained to the pupils. Consent slips were given out for them to take home for signatures. On November 2, in conjunction with Mrs. Nellie Morse, State field nurse, a joint pre-school and school clinic was held at the schoolhouse. Forty-five school children were given the immunization dosage by Dr. Carl Richards of Alfred, who donated his services.

I wish at this time to assure you that the co-operation of all in your community is appreciated and I hope you will continue to call upon me for any service which I may be able to render you. To all who have helped with the health work this year, I am grateful.

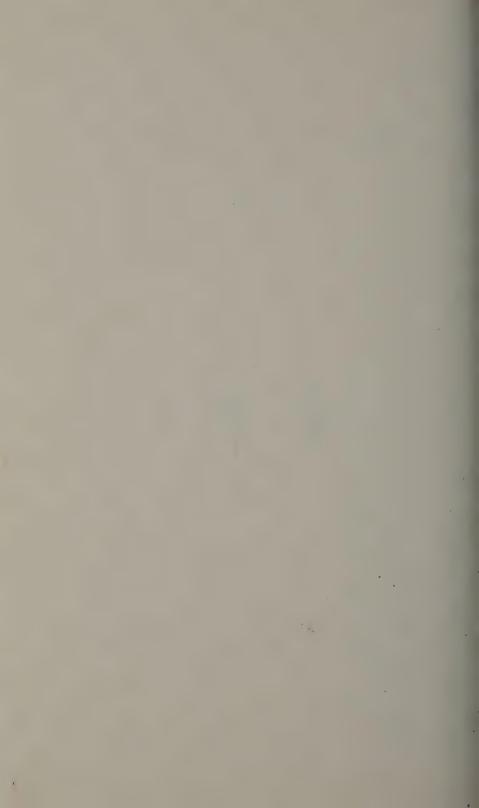

Respectfully submitted,

OLIVE TWITCHELL, R.N.,

REPORT OF SUPERINTENDENT OF SCHOOLS

To the Citizens and the Superintending School Committee:

I herewith submit the annual report of the schools of Lyman.

Of the one forty-one young people in Lyman between the ages of five and twenty-one, eighty-three of them are enrolled as pupils at the Cousens Memorial School. They are classified as follows:

Primary		. 27
Intermediate		34
Grammar	**	22
		83

There has been one change in the teaching personnel. Mrs. Dora S. Murphy resigned at the end of the fall term from the grammar school, and Mr. Carleton L. Watts was elected to fill the vacancy. Work in all grades has been carried on in the usual satisfactory manner.

It will be noted from the financial statement that last year's deficit has been wiped out and that we now have a balance of \$494.46. Expenditures show maintenance of school for thirty-seven weeks, instead of the usual thirty-six. Thirty-seven weeks were necessary this year, due to the shortening of the Christmas vacation to one week.

There has been a very fine spirit of co-operation in the community, fostered by the Cousens School Association to whom we are still indebted for school activities which would otherwise be difficult to provide.

May I in closing thank the Citizens, the Superintending School Committee, and the teachers for the kindness and consideration shown me during the year.

Respectfully submitted,

MAYNARD E. WRIGHT

Superintendent of Schools

REPORT OF PUBLIC HEALTH NURSE

To the Citizens of the Town of Lyman, I herewith submit my annual report as public health nurse for the year 1939.

The health work in Lyman was begun in March when, through the co-operation of the Farm Bureau, Mrs. Winifred Litchfield was given tuberculosis material to distribute throughout the town for the Early Diagnosis Campaign held during the month of April.

Arrangements were made in February with members of the school committee and the teachers for a shick test clinic. The clinic was held at the schoolhouse on February 7, in conjunction with Mrs. Nellie B. Morse, pre-school nurse. Twenty-seven school children were given diphtheria toxoid by Dr. Carl Richards of Alfred. A week later a return visit was made to the school with Dr. Richards to read the tests and give the necessary reimmunizations.

On February 20 a talk on the county health work was given before the members of the Parent-Teacher Association held at the schoolhouse.

In June nine children were called for at school and taken to the office of Dr. A. C. Hanscom, Sanford, for dental corrections. Seven were found to be in need of corrections and were treated.

Numerous visits were made during the year to homes of school children excluded because of pediculosis, and some visits were made for the purpose of securing corrections of other defects found at health inspections. Considerable time was spent in the town in an attempt to aid an adult ill with cancer, and numerous visits were made to the home.

The regular health inspection in the school was made in two visits, and other special inspections for evidence of pediculosis were made upon request of teachers. The following is the report of the health inspections completed in the school.

Pupils inspected	77
Pupils with defects	8
Defects found:	
Vision	- 5
Hearing	2
Evidence of pediculosis	. 3
Corrections made during the year	16
Vision	. 4
Teeth	12
Throat	1

Twenty-three children were given Seven Point pins by the Maine Public Health Association.

Once more I wish to extend my appreciation to all who have so generously helped to make the health work this year a success.

Respectfully yours,

OLIVE TWICHELL, R. N.

Public Health Nurse
